

Thank you for your interest in joining the Wascana Solar Co-op's Solar Investment Opportunity program

If you're not already a Class A share holding member of our Co-op, a lifetime membership can be purchased for \$100. This membership entitles you to one vote at all meetings and allows you to participate in the purchase of Class C shares. Class C shares cost \$1000 a piece, and do not grant additional votes. Membership, and by extension Class C shares are only available to Saskatchewan Residents.

This fund offering aims to raise at minimum \$50,000 and at maximum \$500,000. No one Class A member may purchase more than 5 Class C shares at this time. Funds raised from the sale of Class C Preferred shares are invested into installing solar panels leading to increased generation of clean energy in and around the city of Regina.

Please complete the following information and we will be in touch to confirm payment.
