

WASCANA SOLAR COOPERATIVE

We are pleased to announce that all of the 91 Class B Preferred Shares that were available for purchase during our first share offering have sold. The share capital just raised has allowed us to proceed with our first large-build solar installation.

If you would like to join the Wascana Solar Co-op, and purchase a \$100 Class A Common Membership Share, please complete the information below.

If you are interested in purchasing \$1,000 Preferred Shares and investing in a solar installation project, we would be pleased to take your name and contact information so that we can notify you when our next share offering opens.

If you would like to participate in our next Group Buy please purchase a \$100 Class A Common Membership. You will then be added to our group buy list.

We can only sell memberships and shares to Saskatchewan residents. Each Class A Common Membership Share is entitled to one vote at all meetings, regardless of the number of Class B Preferred Shares owned by the individual or group. Members may purchase multiple Preferred shares up to 10% of the project when available.
